

Supercruise

Supercruise is an outstanding all-purpose fabric. Developed from Contenders High-and Low-Aspect weaves, **Supercruise** also uses high-tenacity yarns but in modified constructions which provide good performance, bias stability and a long-working life. The unique Polypreg finish ensures durability with soft, easy handling. **Supercruise** offers exceptional value and is the perfect allround solution for crosscut sails.

Product Specifications	
Style	Construction
4.0 oz.	150 x 250
